2021

WAHROONGA
ADVENTIST SCHOOL

CONGRATULATIONS TO THE FIRST YEAR 12 CLASS

The inaugural Year 12 graduates of Wahroonga Adventist School demonstrated true character reflecting the resilience of our students and School community. The release of HSC results for the Class of 2021 was a celebration of adaptability and tenacity. While the students have been challenged in so many ways over the last two years with the difficult circumstances of remote learning and interruptions due to the pandemic, they have proven they are unstoppable.

The School community congratulates the students, staff and parents and we have faith and confidence in the very first Year 12 graduates of our school who leave us to enter a new world and make an impact in their chosen careers and communities.
