	events held by the school. The Concert Band will rehearse in Music lab 1 and is directed by Mrs Vuceski.	
Private Musical Tuition K-Year 12	WAS offers a private instrumental program to promote students' musical education in both academic curricular and extra-curricular music as well as to provide an opportunity for beginners to enjoy music. There is a team of specialist tutors who teach music on a one to one and small group basis. Wherever possible, music tutorials are scheduled to work with the student's classroom timetable and will be delivered on a rotational basis to avoid disruption to classroom programs. Students can learn the following Trumpet, Trombone, Guitar, Bass guitar, Flute, Drums, Saxophone, Clarinet, Piano and Euphonium/Baritone. For more information or to enrol please click here	

Please note that some clubs are free as they are run by teachers and volunteers for which we are appreciative. Other clubs attract a small fee as we engage external providers to run these. If you register your child for a club with a fee and they gain a place, fees will be payable to either the provider or your school account will be charged. Please think carefully before making your decision as no refunds will be granted.

Watch this Space! More opportunities will present over the year.

Thank you for your continued support in our Co-Curricular Program and please contact the office if you have any questions.

Kind regards

Kelly Oldfield
