

STUDENT WELFARE POLICY

1. *Rationale*

All children have a right to feel safe and supported in their school environment. As school staff, we have a legal and moral responsibility to ensure programs and procedures are in place to provide support and pastoral care for students as well as providing for their physical safety at school.

2. *Aim*

To ensure that every child's need for support and safety is maintained.

3. *Implementation*

This school will abide by the legislation pertinent to the provision of a safe and supportive environment. This includes:

- making sure buildings and facilities are secure and evacuation procedures are in place;
- having in place a rigorous supervision protocol including a risk management process for onsite and off-site activities;
- having in place codes of conduct that will ensure the rights and responsibilities of students and staff, the application of a behaviour management system (including anti-bullying), a student leadership system, and the management and reporting of serious incidents;
- a process for receiving complaints/grievances from students, and/or parents/guardians;
- a pastoral care plan which gives students access to counselling, provision of support for special needs students, a scheme for the distribution of medication, and a serious incident response mechanism; and
- guidelines for formal and informal communication with all stakeholders.
