# Congratulations **Year 12**

Congratulations to our Year 12 2024 students on their excellent results in the Higher School Certificate (HSC).

43 students sat for the HSC with 42% of students achieving in the top band in at least one subject. 37% of the class achieved an ATAR of 80 or above. Six students were nominated for HSC Showcases with outstanding major works and performances that reflected their creativity and innovation.

Our Year 12's have contributed to the life of the School and we recognise their commitment along with the support of teachers and family. We are confident that these students will go on to innovate, create and collaborate in their own communities and beyond and wish them God's blessing.
