

On-line Ordering from the Uniform Shop is Now Available

I am pleased to confirm that the Uniform Shop is now offering an on-line ordering system via Flexischools. This takes the place of the paper order system which will no longer be available.

This system is another option for parents and will be convenient if the “open hours” don’t suit your schedule. Please note that 2nd hand uniforms will only be sold during open shop times.

All the uniform items are available for purchase and to make it easier, a picture has been included on the order page. The cut-off for orders is 4.30pm each Wednesday as all orders will be processed every Thursday of each week and then delivered to the classrooms.

Getting Started:

Log onto www.flexischools.com.au - to register, please select the “Register Now” button & complete the information including your email address.

Step 1 – Service: select the “order uniforms” button.

Step 2 – Add Items: select the items, size and quantity you wish to purchase. Save & continue until you’ve completed your order.

Step 3 – Check Order: review your order prior to making payment.

Payment – is via credit card (incurring a 29c transaction fee), Flexischools Account, Direct Deposit or PayPal (all payment options incur a \$1.00 service fee). You will then receive an email confirmation of your order.

Delivery – items will be delivered to the classrooms in a bag with each child’s name on the front. A receipt will also be included.

Return Policy – we are happy to exchange or accept returns upon presentation of your receipt; as long as the item/s haven’t been worn and they are in the original packaging with tags on.

If you have any queries with the ordering process, please contact Flexischools via email at help@flexischools.com.au . If you have any uniform queries, please contact me via email at uniformshop.waps@gmail.com

The uniform shop will continue to open for face-to-face sales and will now be open every Thursday from 8.30am-9.00am.

Regards,
Helen Roberts
